

THE HIDDEN
Rebellion

Dear brother and sister, Dear Pastor,

I would like to propose to your community the showing of my new film, *The Hidden Rebellion* .

The Hidden Rebellion premiered on EWTN, was endorsed by Cardinal Raymond Burke and was described by National Catholic Register as “an exceptionally strong voice on film crying out in the wilderness at this critical time in culture and history”(www.ncregister.com).

The Hidden Rebellion is a docufilm with a substantial budget and 300 actors that was filmed in France and finished in America. It depicts the persecution and resistance of the Catholic farmers of Vendée, France under the French Revolution.

As a film, it's the story of two spouses separated by the war who take a stance during the infamous Reign of Terror in 1793. As a documentary, it's the interview of *five scholars* bringing to light an anti-Christian and big government ideology that is now permeating many cultural institutions in America.

Most importantly, the film raises high the light of the persecuted Christian and martyr. It shows in a film format courage, charity and forgiveness in the face of persecution. The production concludes with offering spiritual food and Social Teachings such as religious freedom, subsidiarity, eternal life, and an explanation of atheistic ideologies.

At St. Therese church in Alhambra, CA the screenings of *The Hidden Rebellion* pleased both parishioners and pastor. It was so appreciated that a second screening was requested and another 100 viewers came. Father Sullivan said, “he loved such opportunities of both formation and entertainment that brought his parishioners together.”.

So, would you be interested in giving a look at *The Hidden Rebellion* and maybe screening it with your community? In reply to this email please voice your interest in getting the link to the free viewing of the show and I will send it to you.

What is needed to organize the screening of the show? We will choose a date and my designer will customize a flier. The income to the production will come from suggested donations at the door and selling the DVD. I would appreciate, of course, if you announced at the mass before the screening and put the flier in your bulletin as well as on your campus. I can come with my own projector. A sound system and wide screen are appreciated or they would have to be rented in your town.

May God bless you,

Daniel Raboutin, Producer
Kristen Meiser, Production Assistant.

ENDORSEMENTS

Dr. Alice von Hildebrand: "Whereas most people know about the French Revolution of 1789 – which Dietrich von Hildebrand dubbed the beginning of the end of Europe, the noble rebellion of the Vendee people against this revolution is mostly unknown – being at times purposely ignored by historians. The great work of *Hidden Rebellion* presented to us by Daniel Raborudin corrects this grave omission."

Cardinal Raymond Burke: *The Hidden Rebellion* depicts the heroic struggle of the Catholics of the Vendée... May the heroism of the martyrs of the Vendée inspire us to face the challenges of our time with courage and hope in Christ."

Mitch Pacwa S.J., Host of EWTN Live: "*The Hidden rebellion*" is a must see documentary on the little known first genocide of modern Europe. A progressive, atheistic government has no moral brakes on its totalitarian insistence on the total conformity of its citizens, as the French revolutionary Republic demonstrated. Contemporary citizens can learn from this past tragedy to prevent its repetition in the 21st century."
